Author and architectural historian David Silverman writes custom-made books about the history of Los Angeles homes, commissioned exclusively for homeowners. Many of his works have chronicled the houses of classic Hollywood icons, such as Shirley Temple, David O. Selznick, Cecil B. DeMille, Marlene Dietrich, and Frank Sinatra.

A native Angeleno, David will speak about many of the houses he has researched, showing rare photos of the homes, their residents, and historic LA. David's company, LA House Histories, was featured last year in the Los Angeles Times and The New York Times.
